IN PRESENTING *this Catalogue of a portion of my Manufacture of CHURCH FURNITURE,*
I would say that the cuts do not do the goods justice, and that my patrons have invariably
so testified. The Finish and Make-up are equal or superior to any goods in the market at the
same prices. Satisfaction guaranteed to purchasers.

All orders should be given by some authorized Committee of the Church or Society by
whom the goods are wanted, for while we feel no hesitancy in filling orders as above, we do
require of individuals, reference or cash remittance.

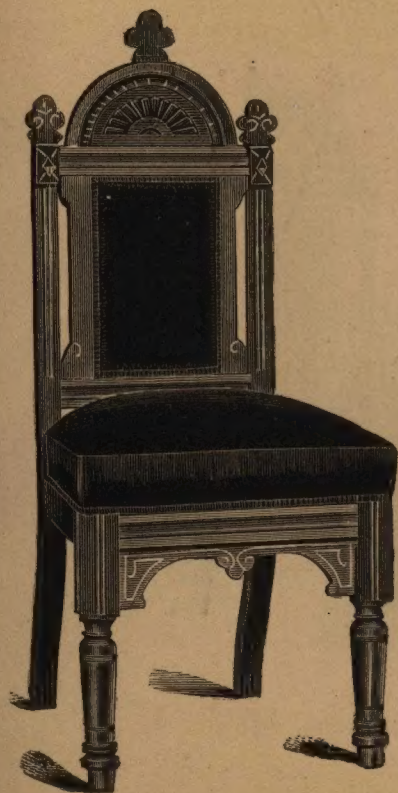

Special Designs Furnished and Articles made to Order.

If nothing in this Catalogue meets your wants, send for Special Skelches, stating as near
as possible what you wish, and the cost of articles required.
